# Simulate Your Exam

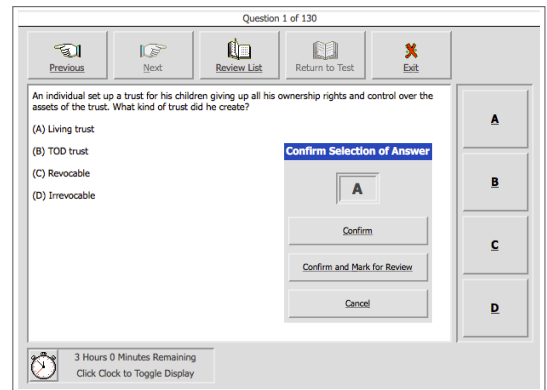

Replicating Exam Day Success

Our Simulate Your Exam feature prepares candidates in a realistic, computer-based exam environment, building confidence and assuring their success.

## Simulating an Exam Day Experience

Want to confirm your candidates are completely prepared on exam day and know exactly what to expect? Our Simulate Your Exam question pool was created solely to mirror the licensing exam – in look, functionality, and question content. This realistic exam will test candidates’ comprehensive knowledge of the material and their ability to apply that knowledge in a simulated test environment.

Candidates are timed and graded just like on the real exam. The simulated exams are designed to remember what learners already know and what they don’t, and draw their attention to what needs to be reviewed. Our adaptive learning technology adjusts to learners’ needs, teaching them only what they need to learn to succeed on their real exam.

## Key Benefits of our Simulate Your Exam Feature

Fast and accurate reports for tracking and optimizing your candidates learning progress.

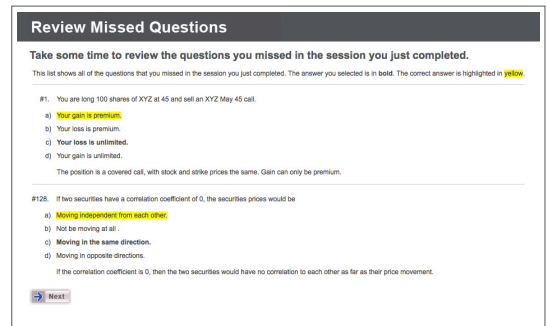

Gain confidence and reduce test anxiety by learning to manage exam time effectively.

Highly realistic exam questions and detailed explanations for all answers.

Exam questions based on the most current exam content outlines.
